Walk Description:

The Milwaukee Road Transportation Trailway, marked the opening of its first three phases on October 3, 2014 at the U Street trail entrance. The walker will be shuttled west to Coxton Road near Williams in rural Lawrence County. Visitors can pass by Spider Creek to the Shawswick area and Salt Creek Bridge, and along the way can enjoy limestone bluffs, tree canopies, scenic waterways, and a variety of wildlife. The walk will continue up a hill to Wilson Park passing a lovely waterfall and finishing the 10K walk in the town of Bedford. The walk will end passing through the restored Milwaukee Depot which was relocated last spring. Area volunteers, with help from City of Bedford personnel and personally invested contractors, have made the transformation possible, clearing brush and debris, renovating and decking 17 bridges, construction and installing bridge side rails and rebuilding erosion areas. Check Indiana Trails website:

Disclaimer: The sponsors of this walk cannot be held responsible for accidents, thefts, material damage and/or injury. Every reasonable effort will be made to make the event safe and enjoyable. All participants are cautioned to take care and restrain pets and children. It is requested that participants keep the trail free from papers and other debris. By registering for this event, the participant agrees to these conditions.
