## Trail Description

Due to Covid19 several changes have been made. We cannot enter the hotels at this time. However, there are many beautiful historic sites in French Lick. The trail begins and ends across from the Historic French Lick Scenic Railway Depot. The route meanders through the towns of French Lick and West Baden on city streets, and past several beautiful buildings and features amazing vistas.

The towns feature many amenities and though the hotels are only open to hotel guests, there are many other places you can visit in the area.

### Conditions

The event will be held rain or shine. Water will be provided for you and your pets at the start/finish area. Halfway through you will circle back to this point if you need more water. There are no restrooms at the check in point but there are several places like McDonalds and Dairy Queen close by where you can stop. We apologize for this inconvenience. Covid has thrown us a ringer and we've tried to regroup! Pets must always be on a leash and under control. Masks must be worn at registration and at the check point, and any other time where you can not maintain social distance.
