Trail Description:

Pate Hollow Trail is a trail in the Hoosier National Forest. The trail is on well-maintained dirt paths with some roots and rocks on the path. There are several hills, but not real long hills. You will cross a few streams with rocks to step across. There are views of Monroe Reservoir on part of the trail. This is a popular trail in a beautiful old growth forest. Hiking boots and walking stick are recommended.

Conditions: The event will be held rain or shine. Water will be provided for you & your pets at the start/finish area. There is no water on the trail, but you will be provided with a bottle of water at the SP. Restrooms are located only at the beginning of the course. Pets must be on a leash, under control at all times. It is not suitable for strollers.

Disclaimer: The sponsors of this walk cannot be held responsible for accidents, thefts, material damage and/or injury. Every reasonable effort will be made to make the event safe and enjoyable. All participants are cautioned to take care and restrain pets and children. It is requested that participants keep the trail free from papers and other debris. By registering for this event, the participant agrees to these conditions.

Please return this portion for preregistration by March 30, 2013
